

### **About our client**

Our client operates within the Facility Management industry, a sector critical for the maintenance and functionality of various facilities in Canada. They are currently seeking Carpenters to join their team, underscoring the importance of skilled professionals in ensuring the structural integrity and maintenance of buildings and spaces. This role offers an opportunity to be a part of the team responsible for carpentry and construction work, contributing to the efficient operation and upkeep of various facilities across Canada.

### **Job Description**

#### **Job Title - Carpenter**

- Read and interpret blueprints, sketches, and project specifications to determine carpentry requirements.
- Measure, cut, shape, assemble, and join materials (wood, fiberglass, drywall, etc.) with precision to build or repair structures.
- Install and repair fixtures, furniture, cabinets, doors, windows, and other wooden or related components.
- Inspect and assess structures for damage or wear and develop plans for repairs or improvements.
- Collaborate with other tradespeople and contractors to complete projects efficiently.
- Operate and maintain carpentry tools and equipment.
- Adhere to safety protocols and regulations to ensure a safe working environment.
- Estimate material and labor costs for projects.
- Maintain detailed records of project progress and expenses.
