

About our client

Our Client is the leading FM company in the Kingdom of Saudi Arabia.

We have a reputation for service excellence that spans more than 40 years, and which is built on our unrivalled experience in delivering traditional FM services, integrated with a unique, innovative approach to developing sustainable FM solutions.

We offer our clients Total FM solutions, from a comprehensive range of Hard FM Services, for the management of their buildings, facilities and assets; to a complete portfolio of people-focused, non-physical Soft FM solutions.

With more than 30,000 fulltime employees, we have the largest dedicated FM workforce in the Kingdom, and we pride ourselves on being a 'People Business', committed to attracting and nurturing the best talent in the industry. We prioritize offering meaningful career opportunities to ambitious Saudi men and women and helping to create the region's FM leaders of tomorrow.

Our Client is also a 'Technology Business', with technology and innovation sitting at the heart of our service delivery and business improvement strategies, continuously driving increased performance and cost efficiency, and improving our customer service and sustainability standards.

Our Client achieves service excellence through the best technologies, and the brightest people, working together.

Requirement

Our client is hiring MRI Technician as a part of their healthcare division.

Eligibility:

- Candidates should have proficiency in English language.
- Minimum 02 years of experience after degree convocation and state medical council registration.
- Must clear FMGE with MCI and state council registration if the degree is from outside India.

Preferred Candidates:

- Ready to join at the earliest.
- KSA experience with SCFHS registration.
- Dataflow/HRD attestation of the certificates done.

Hospital facility and setup:

- CSH is a secondary setup hospital with 30 50 bedded and not a tertiary type.
- CSH is a prison care setup hospital and most of the patients will be inmates.
- Not allowed to carry mobile phone or any other electronic gadgets at work due to security reasons.
- Registrars will have to be available on call for emergencies.
- Ready to join in any of the locations (Riyadh, Jeddah, Dammam, Qassim & Abha).
