

Company Name: Spun Micro Processing Pvt. Ltd.

About Company: Spun Micro Processing Pvt. Ltd. was incorporated in 1991 to cater to the complex machining needs of automotive products. Since being taken over by a new management in 2000, we have been led by professionals with extensive experience in top positions within the automotive field. Our company has undergone three major expansions in the last decade, and we proudly supply renowned OEMs and Tier-1 companies directly online, with over 60% of our production dedicated to exports.
